

MEDICATION ADMINISTRATION PROGRAM MANAGER (PM) COMPLIANCE BINDER

Weekly · Monthly · Quarterly · Annual Checklists — Companion to ECC-MED-2026-001, Version 1.0

Document Reference	ECC-MED-2026-001-IMP-PM
Program Name	
Program Manager (PM)	
Binder Year	July 2026 – June 2027
Related Documents	ECC-MED-2026-001 (Medication Administration Manual); ECC-MED-2026-001-IMP (Implementation Binder); ECC-PC-MAN-2026-001; ECC-PM-MAN-2026-001

How to use: photocopy the checklist page for each cycle (one per week, month, quarter, or year), complete the header, check off each task with date and initials, obtain the review signature, and file the completed page in this binder. Completed pages are the program's compliance evidence for licensing and MCFD review.

Weekly Check-In — PM (recommended)

The manual assigns no fixed weekly PM duties; this optional check-in keeps oversight current between monthly reviews.

Week of (Monday date)	
Completed by (PM)	

✓	Task	Manual Ref	Due Within Cycle	Date Done	Initials
☐	Touch base with PC on any open medication concerns, refusal patterns, or flagged PRN usage <i>No formal weekly PM duties are mandated by the manual — this is a recommended practice</i>	§3; §18	Set weekly day

Exceptions or follow-up items	

Monthly Checklist — PM

Photocopy one page per month. Key deadlines: staff compliance confirmation by the 5th; PC MAR audit review by the 15th; CDS register at month-end.

Month / Year	
Completed by (PM)	

✓	Task	Manual Ref	Due Within Cycle	Date Done	Initials
☐	Review PC's MAR audit summary; sign off; direct follow-up on anomalies	§38.1	By the 15th		
☐	Review the controlled substance register; co-sign month-end CDS reconciliations	§3; §10–11; App C	Month-end		
☐	Review PC's Monthly Medication Review Checklist	§32.1	Within 5 business days of receipt		
☐	Review QA indicators: total errors and near-misses; errors requiring medical assessment (target zero); unresolved CDS discrepancies (target zero); pre-signed MARs (target zero)	§39	Monthly		
☐	Confirm 100% staff authorization and MALM currency (PC report by the 5th); action any gaps immediately <i>Suspend medication duties for any lapsed staff</i>	§39; §4.1	By the 5th		
☐	Review medication refusal patterns; trigger prescriber review for recurring refusals	§25; §39	Monthly		
☐	Verify EpiPen and Naloxone status confirmed on the monthly inspection checklist	§23	Monthly

Per-Event Obligations — PM (reference, not cyclical)

These duties are triggered by events rather than the calendar. They are listed here for reference; documentation for each occurs on the applicable manual form (Appendix D, G, or H) and in the shift log.

Obligation	Manual Ref	Deadline
Review every medication error report; co-sign Appendix D	§29–30	Within 24 hours
Notify MCFD of Category 1/2 medication error CIs	§29 step 10	Same day
Contact prescriber and pharmacy after an error for clinical direction	§29	Within 1 hour
Complete root cause analysis; log corrective action with owner and date	§31	Within 5 business days
Investigate CDS count discrepancies; notify ED, licensing, and police if unexplained loss	§11	Same shift; report within 24 hours
Suspend authorization on serious error, lapsed training, or competency concern	§4.1	Immediately
