

POLICY & MANUALS MASTER CHECKLIST

1–2 BED HOME — MCFD (children & youth) AND CLBC (adults)

Funder Stream(s)	☐ MCFD (SHSS applies) ☐ CLBC (CLBC standards apply) ☐ Both
Why this register matters	A 1–2 bed home holds no CCALA licence, so the funder's reviewer assesses compliance through your policy suite and records. Every policy must show: current version, ED signature and date, who completed it, staff training/acknowledgement, and its next review date. SHSS H.1.5 requires the manual to be maintained, adhered to, revised, and every change communicated to staff and the funder.
