KEY UPDATES 2025-2026	MCFD SHSS April 2026: Updated Missing Children and Youth in Care policies (also Nov 2023 and Sept 2024). Gender-affirming care training mandatory before duties added to G.3.2(b) in April 2024 -- now embedded in April 2026 revision. CLBC Service Standards 2025: Rebranded and updated from previous Service Standards -- explicit requirements now include: communicable disease prevention plan, safe water temperature, first aid/CPR certification, records provided on request, services evaluated for continuous quality improvement, allegations of abuse/neglect reported to CLBC. RCR April 2026 amendment: Hot water temperature limit for personal use explicitly set (maximum 42 degrees C for bathing/showering). Accreditation threshold: CLBC Service Standards Policy (April 2025) confirms contractors with total annual funding of \$500,000 or more with CLBC and/or MCFD combined are required to be accredited (COA, CARF, or equivalent).
