

1–2 BED HOME — OPENING & COMPLIANCE BINDER

MCFD (children & youth) AND CLBC (adults) — BRITISH COLUMBIA

*Overall plan · Opening checklists with due dates · Document inventory (HAVE / NEEDED) with versions & signatures
· Monthly and annual lists with date and initials*

Document Reference / Version	ECC-12BED-2026-001 — Version 1.0
Checklist Created (date)	
Created / Completed By (name, signature)	
Home Name / Address	
Beds / Population	☐ 1 bed ☐ 2 beds ☐ MCFD children/youth ☐ CLBC adults ☐ Both funders
Target Opening Date	
Licensing Note	A CCALA community care facility licence is required only at 3+ persons in care not related to the operator. A 1–2 bed home is NOT licensed — it operates entirely under the funder's contract and standards (MCFD SHSS / CLBC standards), so the contract documents in this binder ARE the compliance framework.
