

MEDICATION ADMINISTRATION PROGRAM COORDINATOR (PC) COMPLIANCE BINDER

Weekly · Monthly · Quarterly · Annual Checklists — Companion to ECC-MED-2026-001, Version 1.0

Document Reference	ECC-MED-2026-001-IMP-PC
Program Name	
Program Coordinator (PC)	
Binder Year	July 2026 – June 2027
Related Documents	ECC-MED-2026-001 (Medication Administration Manual); ECC-MED-2026-001-IMP (Implementation Binder); ECC-PC-MAN-2026-001; ECC-PM-MAN-2026-001

How to use: photocopy the checklist page for each cycle (one per week, month, quarter, or year), complete the header, check off each task with date and initials, obtain the review signature, and file the completed page in this binder. Completed pages are the program's compliance evidence for licensing and MCFD review.

Weekly Checklist — PC

Photocopy one page per week. Complete every week the program operates.

Week of (Monday date)	
Completed by (PC)	

✓	Task	Manual Ref	Due Within Cycle	Date Done	Initials
☐	Review every active MAR for completeness, accuracy, and anomalies (blanks, missing initials, uncorrected entries)	§3; §6	Set weekly day		
☐	Review all PRN records (Appendix F) for the week: usage count, effectiveness documented	§18; App F	Set weekly day		
☐	Flag any PRN used 3+ times in 7 days: notify PM; contact prescriber; document outcome <i>Enter 7-day usage count on each Appendix F</i>	§18; §39	Same day as review		
☐	Follow up any refusals this week: Appendix H complete; recurring refusals escalated to prescriber	§25; App H	Same week		
☐	Confirm medication cabinet keys and CDS key accounted for; key log current	§9–10	Spot check weekly		
☐	Check for prescriptions expiring within 2 weeks; initiate renewals <i>Never allow a prescription to lapse</i>	§32.2	Same week

Per-Event Obligations — PC (reference, not cyclical)

These duties are triggered by events rather than the calendar. They are listed here for reference; documentation for each occurs on the applicable manual form (Appendix D, G, or H) and in the shift log.

Obligation	Manual Ref	Deadline
Action new medication orders; update profile and MAR before first dose	§3; §8	Within 24 hours
Report medication errors to PM	§3; §29	Within 2 hours
Ensure Medication Error Report (App D) completed	§29–30	Before end of shift
Prepare medication summary for prescriber appointments; action changes	§32.2	Same day as appointment
Respond to count discrepancies; investigate with PM	§11	Same shift
Report lost medication keys to PM; arrange lock change if unaccounted	§9	Immediately
